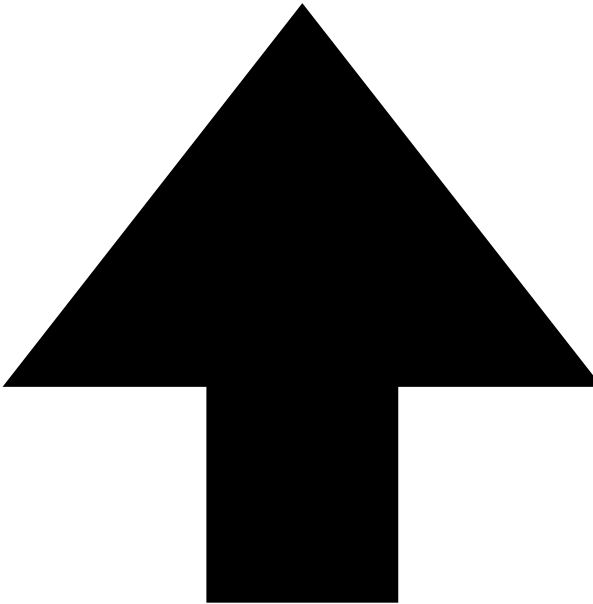
```
function greet() {
  console.log("Hello, world!");
}

function start() {
  console.log("Let's get started!");
  greet();
}

start();
```



start()

console.log()

greet()

```
console.log()
```

```
1 function greet() {
2   console.log("Hello, world!");
3 }
4
5 function start() {
6   console.log("Let's get started!");
7   greet();
8 }
9
10 start();
```

Call Stack

# I’ve heard of “stack overflow”, what’s that?
