

```
1 setTimeout(() => console.log('Start'), 2000)
```

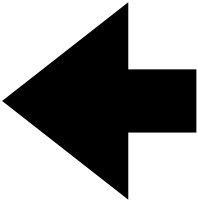

```
2 console.log('Middle')
```

```
3 setTimeout(() => console.log('End'), 0)
```

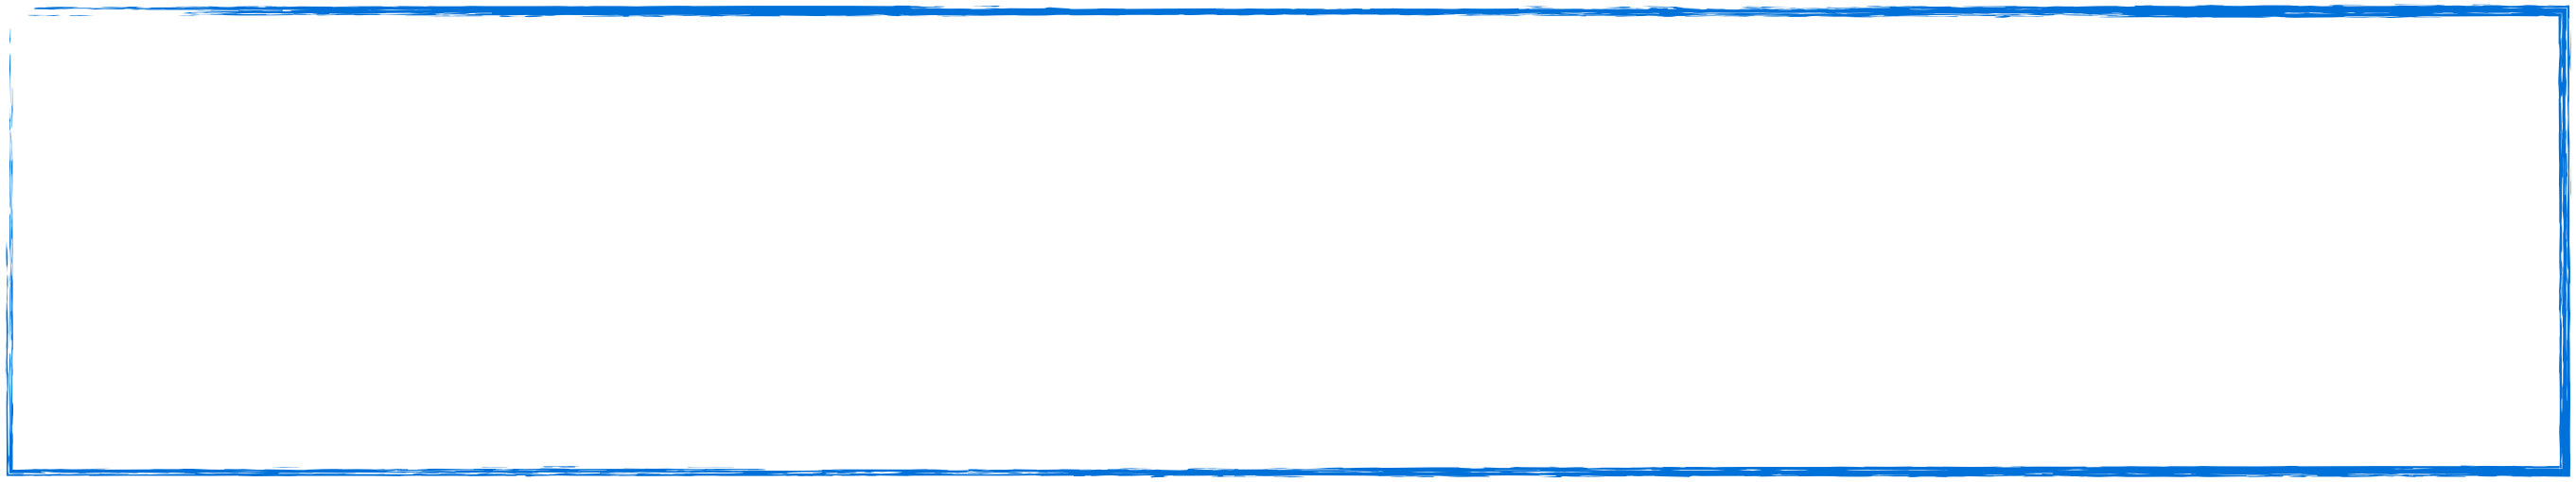

```
console.log('Middle')
```

```
console.log('Start')
```

```
console.log('End')
```

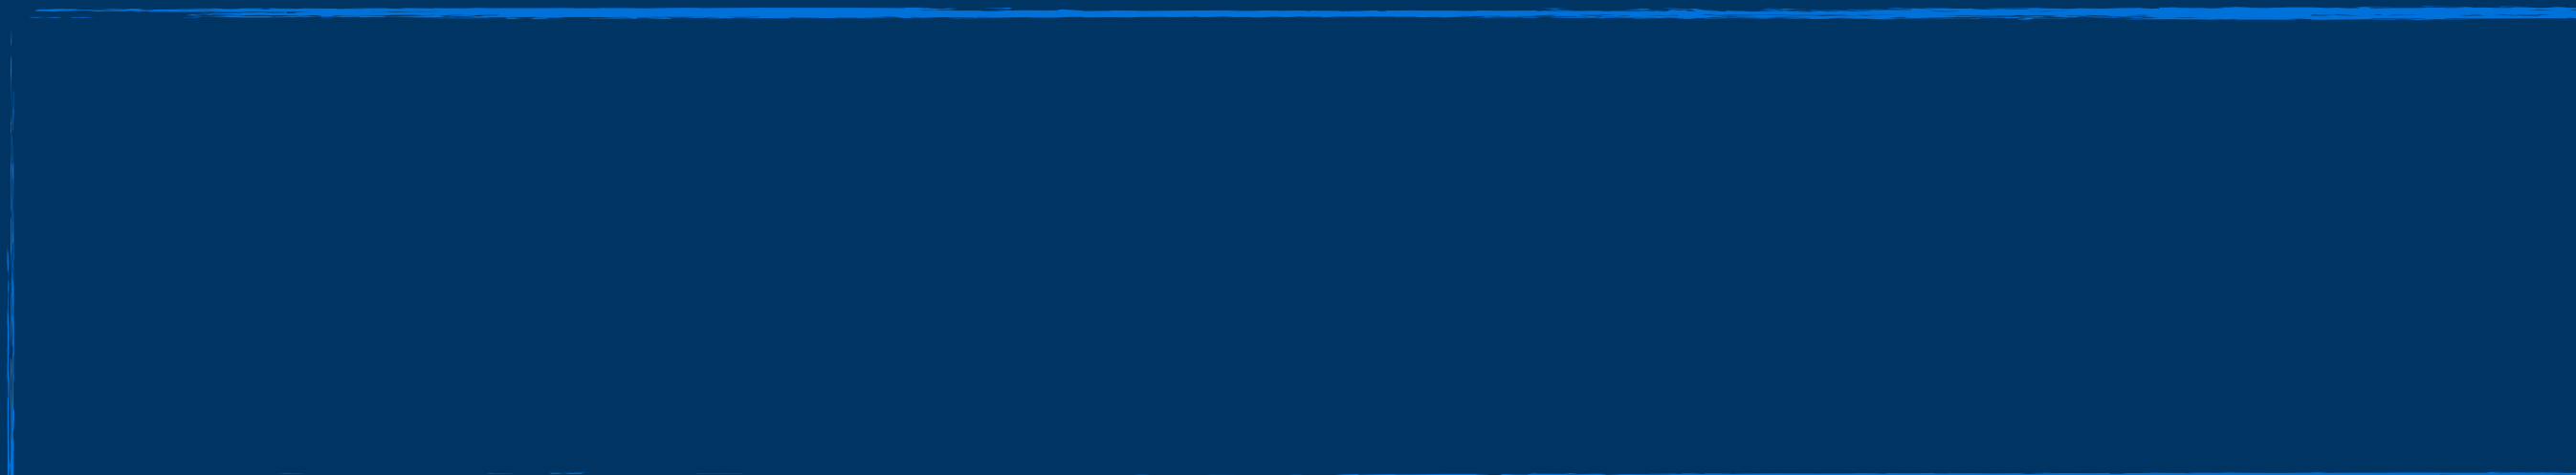

```
console.log('Start')
```

Call Stack

```
1 setTimeout(() => console.log('Start'), 2000)
2 console.log('Middle')
3 setTimeout(() => console.log('End'), 0)
```
